Single Column Medical Storage Cart with Tambour Door Specifically Designed for use in a Cath Lab

#MS8128CATH

The MS8128CATH is a single column cart with tambour door specifically designed for use in a cath lab, or an examination room in a hospital where diagnostic imaging equipment is used to support the catheterization procedure

Close Up Of Cath. Slide Shelf

Construction:

- Painted steel cabinet, 20-gauge powder-coated steel

Advantages and Benefits:

- The significant amount of catheter sizes and packaging techniques has made organizing and managing this critical area an extremely difficult task. Harloff offers a solution with a high density Catheter Storage System, which provides quick access and retrieval of catheters and related supplies.
- Equipped with three full extension catheter slides, each slide has eight hooks, and each hook can hold up to 12 catheter packages. Each slide offers full extension, which brings the catheters into full view for quick access and visual inventory of remaining stock.
- The MS8128CATH stores long stent boxes, balloons, guidewires, and other supplies efficiently for easy access with our specially-engineered catheter and interior side panels.
- The maximum package length is 61 inches.
- Locking roll-up tambour door keeps supplies dust free, and allow you to quickly identify coronary stents, dressings, catheter storage and other items.
- Offers 30% more tray or basket storage capacity when compared with leading competitor's product, using 2", 4" and 8" modular trays; or 3", 5" and 8" wired baskets.

Standard Features:

- Catheter Slide Shelf, featuring three cath slides and eight hooks per slide, can be mounted in a lower position to create storage above for over-sized items.
- Cath slides consist of a pair of ball bearing drawer slides to withstand the pull force of removing catheters from hooks.
- Plastic side panels form a modular system consisting of 47 insertion opportunities to hold modular exchange trays and baskets, which are sold separately.
- Integrated push handles are flush with side of cart.
- Corner bumpers with premium five inch casters, full swivel – two with brake
- Color: Standard color is Sand. Also available in 16 other colors
- Ships fully assembled with twelve year warranty

Assembled Cart Dimensions:

- 80.5" H x 27.8" W x 27.9" D
  (204.5 cm H x 70.5 cm W x 70.8 cm D)
- Cart net weight: 170 pounds (77 kg)
- Approximate shipping weight: 251 pounds (113.7 kg)
