- Full Height
- Tambour Door
- Standard Key Lock

MEDSTOR^{MAX}

MSPM82-20TK

DOUBLE COLUMN STORAGE CABINET

Features:

- Unmatched quality of construction — built to last using professional grade design and manufacturing for medical-grade applications
- Roll-up tambour door with key lock allows access to supplies during clinical hours
- Stacks flush with walls or other cabinets — we don't use easily misplaced removable handles or bulky exterior hardware
- Features a true 24" interior cabinet depth able to store boxes two feet deep
- Customize your cabinet with any combo of trays, baskets, shelves or accessories/packages
- Interior side panels allow 47 insertion points within each column creating a system of multiple organization possibilities
- Modular trays can be pulled out at an angle, and "clip-on" locking safety features help minimize the risk of falling trays
- Industry best 5" quiet rolling casters for superior mobility - one steering and one braking caster
- Cabinet is delivered fully assembled

Shown in Cream. Also available in more than 20 color options or in Stainless Steel.

Available with shelves, drawers, and cath slides, each sold separately
